➤ ***Discussion Questions***

What is it about the idea of judging that makes people uncomfortable today? Jesus spoke out against being judgmental- what is the difference between making judgments and being judgmental?

Read the heavenly courtroom scene in Daniel 7: 9-14. What do we learn here about God, the basis of judgment, the responses to judgment and the results of judgment? Who- according to John 5:22-27- is doing the judging?

How would you answer someone who said- how can you believe in a loving God who is also full of anger and wrath? Are these qualities contradictory? In what ways are we both? What does Romans 12:9 say about hate?

Would God be good if He didn't get angry- even furious- at evil and sin? Why is it actually a great thing that Jesus is the Judge- see Revelation 20:11-13; 21:1-4? Why is the outcome for the rich man and Lazarus in Luke 16 so important?

Why is the fact that Jesus gives us a heads up regarding future judgment an immense blessing? How- according to the following verses- can we make sure we are ready... Ecclesiastes 12:13-14; 1 Corinthians 4:5; 1 Corinthians 3:10-15; 1 Thessalonians 5:1-11?
