➤ ***Discussion Questions***

Talk about a time you heard someone raise the question- how could a good God send people to hell who've never heard about Jesus? Why do people ask this question? What concerns does this raise about God's character? How is this question sometimes a smokescreen someone uses to justify their own unbelief?

What do the following verses tell us about God's desire regarding human beings- Ezekiel 18:23; 2 Peter 3:9-11; 2 Timothy 2:3-6; Titus 2:11?

Read Acts 17:26-27. What does this say about God? What does this say about cultural isolation and societal barriers to the Gospel? What are some ways God speaks to people? Why is this such a mystery?

Read the following stories-

1- Cornelius and Peter- Acts 10:1-7;19-27;34-38

2- Philip and the Ethiopian eunuch- Acts 8:4-5; 26-39

What do these stories tell us about God? What method does God use to give people information about Him and clear up confusion? Why is baptism consistently mentioned as the next step a person is to take after accepting Jesus?

According to Romans 10:9-17 why is it vitally important that we boldly share our faith and invite others to church? What do we offer that is critical to faith?

Why, according to Matthew 28:18-20 is our "going" essential? Who in your life has God put on your heart to reach? What are some ways we can plant positive seeds of faith in people's lives? How can we connect people to our faith community so they can hear God's word?
